

Dear Friend,

For over 30 years Museo de las Americas, a 501 (c)3 non-profit organization, has been a pioneer as a Latin American art museum in the Rocky Mountain Region, operating as a community museum where Latino stories and culture are represented on our walls. Museo is a cultural treasure in the Denver community, playing a fundamental role in enhancing art, education, building cultural pride and boosting our local economy by working with local artists.

At Museo, we are ready to continue our mission to uplift the arts and cultures of the Americas and the communities they come from! We are celebrating CUBA in our annual fundraiser, **Noche de Museo**, from the colorful streets of Havana to the lush tobacco fields we are inviting our sponsors, donors, members and community representatives to gather for our special celebration on **June 1, 2024**. This dynamic and vibrant event offers businesses and nonprofit partners significant visibility, as well as targeted exposure and tremendous value with advertising opportunities.

Don't miss out on this opportunity to support the community! Join our circle of artistic enthusiasts as we honor Museo de las Americas' history, recognize encouraging community leaders with our **Legacy Award** and **Corazón de la Educación Award**, and celebrate with musical performances. This year, we aim to bring artists, businesses, educational leaders and government officials together for a celebration on **June 1, 2024**. Thank you for your time and support. If you need any more information, please contact our Executive Director, Claudia Moran, at director@museo.org or call 303-571-4401 ext. 22.

Respectfully,

Claudia Moran, Executive Director
