

# *Dia de Muertos*

FIRST FRIDAY ART WALK - NOVEMBER 1, 2024

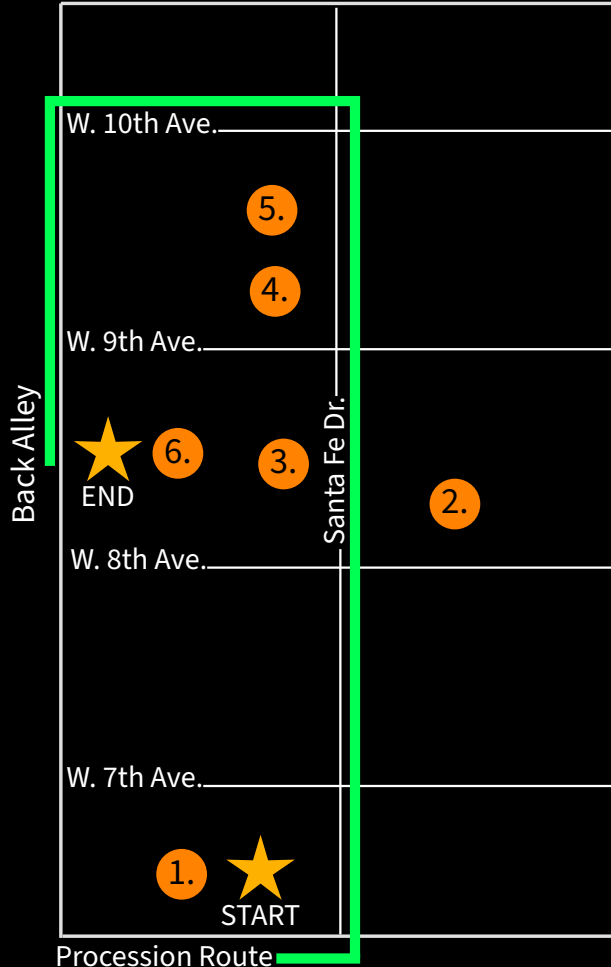

Dia de Muertos coincides with All Saints and All Souls Days, providing a time for families and friends to gather, pray for, and remember their deceased loved ones. During this multi-day celebration people create altars, called ofrendas, in their homes and public spaces. These ofrendas, adorned with cherished memorabilia, serve as a beautiful tradition to honor the lives of those passed, preserving memories and ensuring that the spirit of their presence remains alive in our hearts in a joyful celebration.

# PROCESSION MAP

The procession will begin at Su Teatro on the corner of 7th and Santa Fe at 5:45 p.m. At 6 pm the walking route will continue north to 10th Avenue on Santa Fe Drive, coming back down the alley and ending at Museo de las Americas with a closing celebration.
